

分手后合照太美不舍得删？有办法，把前任从照片上P掉就可以了。

国外最近出现一个新型在线服务Edit My Ex，收取一定的费用之后就可以帮你P掉合照上的前任，帮你留下一张美照。这样的服务，你觉得怎么样？

Mark Rofe, the creator of Edit My Ex, came up with the idea for the online service after editing the ex-partner of a friend who had just come out of a bad relationship from one of her best photos, and giving it to her as a gift. She was delighted and cried with laughter when she saw the photo, and Mark saw first-hand how powerful the effect of removing someone's ex from a photo could be. So he decided to make the service available to others as well.

Edit My Ex的创建人马克·罗费在帮助一位朋友在其最好的一张照片中删除前任之后，萌生出了提供这项在线服务的想法。当时这位朋友刚刚结束一段糟糕的恋情，所以他想以此作为礼物送给她。当她看到这张照片时，非常高兴并且笑得眼泪都流出来了。就这样，马克亲眼见证了从某人照片中删除其前任的效果有多么强大。于是，他决定将这项服务也提供给其他人。

Rofe said: "As someone with a background in design, I thought that I could put my skills to good use to make someone going through a break-up smile, and with my team of designers, we can't wait to start helping others regain their favorite photos without any unwelcome additions."

马克表示：“作为一个拥有设计背景的人，我认为自己可以善用自己的技能让别人

经历一次分手微笑，再加上我的设计师团队，我们迫不及待地想帮助人们删掉讨厌前任、重获心爱照片。”
